

Name: \_\_\_\_\_

You will make your own double bar graph, fill out the information below, and graph your results.

My question is: \_\_\_\_\_  
\_\_\_\_\_?

My possible answers are: \_\_\_\_\_  
\_\_\_\_\_  
\_\_\_\_\_

I am separating my answers by: \_\_\_\_\_

Go around the room and ask everyone your question and collect their answers. Tally their answers in the tally graph below:

Answers	Tally 1:	Tally 2:

Tally 1 will be represented by the colour:

Tally 2 will be represented by the colour:

Now take all your information and put it into the graph below:
